

BECOME A FOSTER

Application instructions below. Any questions? Call 705-706-5842

Freedom Fur Animal Rescue is looking for foster homes! A foster home acts as a transition space for a rescue animal on a short term contract. Enjoy the pleasures of being a pet owner without the long term commitment. Foster homes are provided with the necessary care items to provide for the animal. As a foster home, you will be responsible for upkeep, the care, training, and socialization of the animal until adopted. Without fostering, the rescue would not be able to help as many animals. Apply today and become part of the team. Upon being accepted, you may apply to foster an animal within the rescue. An individual agreement will be signed for each foster pet to ensure proper care for the specific animal. All applicants must provide 1 piece of government ID for verification during the application process. Please email admin@freedomfur.ca with the below information and questions answered.

- Name (1 piece government ID)
- Contact Information (email, phone)
- Address (location animal(s) will be held)
- Why do you want to foster?
- Who lives in the household?
- What type of environment can you offer?
- What species can you intake?
- What are your time commitments?
- Do you have any pets or kids?
- Any additional information relevant to application

Please allow time to review the application, someone on the team will reach out with any questions/ next steps. A home visit will be required prior to fostering.
